

# Fort Langley Voyageurs

From the Halloween night in October to St Andrews Dance in November and from Burns night in January to our final May Tea Dance and year end Barbecue, we have had another wonderful and eventful year. We have a new teacher beginning in September. We are one of the few clubs that are lucky enough to have a live pianist for the first half of the night. Classes are at the Fort Langley Community Hall (9167 Glover Road, Fort Langley, rear door). Scottish Country dancing is much less athletic than Scottish competitive dancing and emphasizes the social aspect.
