

Fran with her husband Sandy, started Scottish Country Dancing at the Vancouver Branch in the late 1980's. She received her full certificate as a teacher in 1999 and was a member of the Demonstration Team for many years.

She served on the Branch Board from 2004 to 2012. In 2004, Fran also took on the role of Dancing Coordinator (formerly Teacher Coordinator), a position she still holds, some 15 years later.

As Dancing Coordinator, Fran organizes Branch classes and coordinates social dancing opportunities with other Branch members and dance clubs. She also manages the Branch's teacher training program.

Fran's first love is dancing, closely followed by her love of the music. She continues to work in support of a dynamic Scottish Country Dance organization that offers dancing opportunities for people regardless of age and skill level. From her career as a specialist in Health Services Planning, Facility Construction and Administration, Fran brings a wealth of organization skills which she uses to good effect in her work for the Branch. She is delighted to rejoin the Board and to continue working in support of a lively Scottish Country Dancing Community.
