Dear Heather,

HEATHER

I would like to thank you and everyone at the Royal Scottish Country Dance Society for supporting us with such a very kind and generous donation recently. I am so very happy that you were able to come and visit Honour House to present the cheque to us in person. I hope that you enjoyed meeting some of our wonderful volunteers and guests and I am glad that you were able to see exactly where your donation will help.

As Craig may have mentioned, as well as continuing to provide assistance to so many members of our Canadian Armed Forces and First Responders at Honour House we are also working very hard to complete our ranch project, "Honour Ranch" near Ashcroft, BC which will assist those dealing with the terrible, debilitating effects of Post-Traumatic Stress Disorder (PTSD). We are convinced that this new initiative will change and hopefully save the lives of the many brave people who reach out to us each and every week.

Honour House Society is proud to stand firmly behind our Military, Veterans and Emergency Services Personnel and their families and we fully intend to do so much more for them in the coming months. We are very grateful that you have chosen to help us to help those who willingly risk their lives in the service of their communities and their country.

Thank you so much for your incredibly kind donation support for Honour House Society and our brave men and women in uniform.

Yours sincerely,

Allan De Genova
