

Vicki Downey

Vicki was born and raised in Vancouver. She attended UBC, got her B Ed and taught Grade 1 and Kindergarten for many years. She married her childhood sweetheart and they have 3 wonderful children and 7 grandchildren scattered throughout the world. Growing up she spent time with her Scottish grandparents and was introduced to Scottish Country Dancing in their living room after family dinners. When she retired, looking for a new passion, she saw an ad for the Burnaby Club and has been dancing with them since 2007. Since then she has become an avid dancer attending classes several times a week as well as working on the Board. She was Branch corresponding secretary for 4 years and is currently President of the Burnaby Club. She is honoured to be re-elected to the Branch executive and looks forward to contributing to this wonderful organization.
